# Why JES Travel Retail ...

1. We work with an international award winning photographer – Pat Ager – who has over a career spanning 27 years worked with governments, global brands, marine based organisations and top music bands.
2. Drone photography now available from 2023.
3. JES Travel retail photography and creative services have been handled in travel retail by the same agency for the past 12 years.
4. Photography and creative design in travel retail experience across airports, ferry operators, and airlines in Europe, Middle East, Africa and Asia.
5. Creative services extended to 3 travel retail exclusive brands – watch, jewellery and gadgets – including travel retail exclusive rebranding.
6. Product development services available – packaging, inserts, design.
7. All photography and creative consultancy specifically designed for travel retail.
